**DECLARATION OF AARON MOSS IN SUPPORT OF DEBTORS’ SECOND OMNIBUS OBJECTION TO CERTAIN PROOFS OF CLAIM (WRONG DEBTOR CLAIMS)**

I, Aaron Moss, declare as follows:

1. I am Vice President and Controller of Debtor Edison Mission Energy (“EME”) and certain of the other above-captioned debtors and debtors in possession (collectively, the “Debtors”). I submit this declaration (this “Declaration”) in support of the *Debtors’ Second Omnibus Objection to Certain Proofs of Claim (Wrong Debtor Claims)* (the “Objection”).<sup>2</sup>

2. Except where specifically noted, the statements in this Declaration are based on my personal knowledge, information supplied or verified by employees or advisors of the Debtors that I supervise, my review of relevant documents, or my opinion based upon my experience and knowledge of the Debtors’ operations and financial condition. If I were called

<sup>2</sup> All capitalized terms used but otherwise not defined herein shall have the meanings set forth in the Objection.

upon to testify, I could and would testify competently to the facts set forth herein. I am authorized to submit this Declaration on behalf of the Debtors.

### **Background**

1. In my current position as Vice President and Controller, I am generally familiar with the Debtors' day-to-day operations, financing arrangements, business affairs, and books and records that reflect, among other things, the Debtors' liabilities and the amounts owed to creditors as of the Petition Date.

2. The Debtors and their advisors are continuing to review the proofs of claim (collectively, the "Claims"), including supporting documentation, if any, filed together with any proof of claim, and reconciling the proofs of claims with the Debtors' books and records to determine the validity of the proofs of claim. In connection with preparation of the Objection, I: (a) oversaw the review of (i) the Claims register maintained by the Debtors' notice and claims agent, during which time individuals under my supervision identified Claims that should be allowed, disallowed, expunged, reclassified, or reduced and (ii) the books and records with respect to the Claims described in the Objection; (b) approved the inclusion of the Claims in the Objection; (c) reviewed the Objection and the proposed form of order attached thereto as **Exhibit A**; and (d) reviewed and approved the information contained on **Schedule 1** to **Exhibit A** attached to the Objection and the justifications set forth therein. Accordingly, I am familiar with the information contained in the Objection.

### **The Wrong Debtor Claims**

3. To the best of my knowledge, information, and belief, I have determined that the Wrong Debtor Claims listed on **Schedule 1** to **Exhibit A** to the Objection are asserted against the wrong (and inappropriate) Debtor. Failure to reassign the Wrong Debtor Claims could result in the relevant claimants receiving an unwarranted recovery against the Debtors, to the detriment of

other similarly-situated creditors. Accordingly, the Debtors respectfully request that the Court reassign the Wrong Debtor Claims as Claims against the “Correct Debtor” identified on **Schedule 1** to **Exhibit A** to the Objection.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
