The above-captioned debtors and debtors in possession (collectively, the “Debtors”) respectfully state the following in support of this objection (this “Objection”):

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”) expunging and disallowing the claims identified on **Schedule 1** to the Order (the “Amended and Superseded Claims”) in their entirety because such claims were amended and replaced by the “Surviving Claims” identified on **Schedule 1** to the Order. The location of parent Debtor Edison Mission Energy’s corporate headquarters and the Debtors’ service address is: 3 MacArthur Place, Suite 100, Santa Ana, California 92707.

support of this Objection, the Debtors submit the declaration of Aaron Moss (the “Moss Declaration”), to be filed in connection herewith.

Jurisdiction

2. The United States Bankruptcy Court for the Northern District of Illinois (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory bases for the relief requested herein are sections 502 and 1106(a)(1) of title 11 of the United States Code (the “Bankruptcy Code”), rule 3007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 3007-1 of the Local Rules for the United States Bankruptcy Court for the Northern District of Illinois (the “Local Rules”).

Background

5. Edison Mission Energy, together with its Debtor and non-Debtor affiliates, is a leading independent power producing enterprise specializing in developing, operating, and selling energy and capacity from approximately 40 generating facilities in 12 states and the Republic of Turkey. The Debtors have approximately 800 employees and maintain headquarters in Chicago, Illinois and Santa Ana, California.

6. On December 17, 2012 (the “Original Petition Date”), seventeen of the Debtors (collectively, the “Original Debtors”) filed petitions with the Court under chapter 11 of the Bankruptcy Code. On May 2, 2013 (the “Homer City Petition Date”), three additional Debtors (collectively, the “Homer City Debtors”)² filed petitions with the Court under chapter 11 of the Bankruptcy Code. The Court has approved procedural consolidation and joint administration of

² The Original Debtors and the Homer City Debtors are collectively referred to in this Objection as the “Debtors.”

these chapter 11 cases pursuant to Bankruptcy Rule 1015(b) [Docket Nos. 115, 154, 780]. No party has requested the appointment of a trustee or examiner in these chapter 11 cases. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On January 7, 2013, the United States Trustee for the Northern District of Illinois appointed an official committee of unsecured creditors (the “Committee”) in these chapter 11 cases [Docket No. 202] (as amended on January 18, 2013 [Docket No. 308]).

The Claims Reconciliation Process

7. On February 14, 2013 and May 16, 2013, the Original Debtors and the Homer City Debtors, respectively, filed their schedules of assets and liabilities and executory contracts and unexpired leases (as amended, collectively, the “Schedules”) and statements of financial affairs, as required pursuant to section 521 of the Bankruptcy Code. On July 2, 2013, certain Debtors filed amendments to their respective Schedules.

8. On April 10, 2013, the Court entered the *Order (A) Setting the Bar Dates for Filing Proofs of Claim, Including Claims Arising Under 11 U.S.C. § 503(b)(9) Proofs of Claim and (B) Approving the Form and Manner of Notice Thereof* [Docket No. 669] (the “Original Bar Date Order”), which, among other things, established June 17, 2013, as: (a) the deadline (the “General Bar Date”) for all persons and entities holding or wishing to assert a “claim” (as defined in section 101(5) of the Bankruptcy Code) against any of the Original Debtors that arose before the Original Petition Date (each, a “Claim”), including any claim arising under section 503(b)(9) of the Bankruptcy Code, to file proof of such Claim in writing; and (b) the deadline (the “Governmental Bar Date”) for all governmental units holding or wishing to assert a Claim against any of the Original Debtors that arose before the Original Petition Date to file proof of such Claim in writing.

9. On August 21, 2013, the Court entered the *Order (A) Setting Bar Dates for Filing Proof of Claim, Including Section 503(b)(9) Claims, Against EME Homer City Generation L.P., Edison Mission Finance Co., and Homer City Property Holdings, Inc. and (B) Approving the Form and Manner of Notice Thereof* [Docket No. 1137] (the “Homer City Bar Date Order” and, together with the Original Bar Date Order, the “Bar Date Orders”), which, among other things, established October 29, 2013, as the deadline for governmental and non-governmental entities to file proofs of claim against the Homer City Debtors. Together, the Bar Date Orders apply to all purported Claims against the Debtors arising before the Original Petition Date and the Homer City Petition Date, as applicable. Notice of the Bar Date Orders was provided in accordance with the procedures outlined therein.

10. On July 17, 2013, the Court approved certain omnibus procedures for filing and resolving objections to Claims asserted against the Debtors in these chapter 11 cases [Docket No. 1022] (the “Objection Procedures”).

11. To date, entities have filed approximately 1,800 proofs of claim against the Debtors on an aggregate basis, collectively asserting more than \$11.86 billion in aggregate liabilities. The Debtors and their advisors are in the process of reviewing the proofs of claim, including supporting documentation, if any, filed together with any proof of claim, and reconciling the proofs of claims with the Debtors’ books and records to determine the validity of the proofs of claim. For the reasons set forth in more detail below, and based on their review to date, the Debtors have determined that the Amended and Superseded Claims should be expunged and disallowed as set forth herein.

Objection

12. The Debtors object to the 80 Amended and Superseded Claims. As set forth in the Moss Declaration, the Debtors have determined that the Amended and Superseded Claims

identified on Exhibit 1 to the Order were amended and replaced by the “Surviving Claims” identified on Exhibit 1 to the Order. To allow both the Amended and Superseded Claims and Surviving Claims to remain on the claims register would be duplicative and would lead to multiple recoveries on a single Claim. Accordingly, the Debtors respectfully request that the Court enter the Order expunging and disallowing the Amended and Superseded Claims identified on Schedule 1 to the Order. This Objection does not affect the Surviving Claims identified on Schedule 1 to the Order.

Basis for Relief

13. Section 502(a) of the Bankruptcy Code provides that “[a] claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). A debtor in possession has the duty to object to the allowance of any claim that is improper. See 11 U.S.C. § 1106(a)(1).

14. As set forth in Bankruptcy Rule 3001(f), a properly executed and filed proof of claim constitutes *prima facie* evidence of the validity and the amount of the claim under section 502(a) of the Bankruptcy Code. See In re Salem, 465 F.3d 767, 779 (7th Cir. 2006). To receive the benefit of *prima facie* validity, however, the proof of claim must “set forth facts necessary to support the claim.” In re Stoecker, 143 B.R. 879, 883 (N.D. Ill. 1992), aff’d in part, vacated in part by 5 F.3d 1022 (7th Cir. 1993). Additionally, a claimant’s proof of claim is entitled to the presumption of *prima facie* validity under Bankruptcy Rule 3001(f) only until an objecting party refutes at least one of the allegations that is essential to the claim’s legal sufficiency. See In re Relford, 323 B.R. 669, 672–73 (Bankr. S.D. Ind. 2004). Once such an allegation is refuted, the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence. Id. In other words, once the *prima facie* validity of a claim is

rebutted, “it is for the claimant to prove his claim, not for the objector to disprove it.” In re Kahn, 114 B.R. 40, 44 (Bankr. S.D.N.Y. 1990) (citations omitted).

15. As set forth herein and in the Moss Declaration, the Court should expunge and disallow the Amended and Superseded Claims, as set forth herein. If such Claims are not formally expunged and disallowed, as requested herein, the potential exists for the applicable claimants to receive recoveries to which they are not entitled, to the detriment of the Debtors’ other stakeholders. Thus, this relief is necessary to prevent any inappropriate distribution of estate funds and to facilitate the administration of the claims allowance process.

Compliance with Bankruptcy Rule 3007(e)

16. The Debtors respectfully submit that this Objection complies with the requirements for omnibus objections set forth by Bankruptcy Rule 3007(e). Namely, the Debtors and GCG, Inc., their notice and claims agent, have created a personalized form of notice that shall be served upon each claimant affected by this Objection. Each such notice prominently identifies the claimant’s: (a) name; (b) address; (c) applicable claim number; (d) proposed treatment pursuant to the Objection; and (e) does not include any other claimant’s information on the notice.

17. As a result, each claimant can readily identify its Claim and proposed treatment and respond accordingly. The proposed form of Order further identifies each claimant by category of claims subject to objection. This Objection conspicuously identifies the Debtors as the objecting parties, identifies this Objection as the Debtors’ third omnibus claims objection, and contains objections to fewer than 100 Claims. Accordingly, the Debtors respectfully submit that this Objection complies with Bankruptcy Rule 3007(e).

Separate Contested Matter

18. Each of the above objections to the proofs of claim constitutes a separate contested matter as contemplated by Bankruptcy Rule 9014. The Debtors request that any order entered by the Court with respect to an objection asserted herein shall be deemed a separate order with respect to each Claim.

Reservation of Rights

19. The Debtors expressly reserve the right to amend, modify, or supplement this Objection and to file additional substantive or non-substantive objections to the Claims objected to herein, or any other Claims, filed or not, which may be asserted against the Debtors. Should one or more of the grounds of objection stated in this Objection be overruled, the Debtors reserve the right to object on any other applicable grounds. In addition, the Debtors reserve the right to seek to reduce any Claim for any reason, including to the extent such Claim has been paid. The Debtors reserve the right to raise further objections, including objections under section 502(d) of the Bankruptcy Code. Nothing in this Objection or the relief requested herein shall limit the right of the Debtors, the Committee, or the ad hoc committee of certain holders of the Debtors' senior unsecured notes (the "Noteholder Group") to bring future and/or additional objections to any of the Amended and Superseded Claims on any basis.

Notice

20. The Debtors have provided notice of this Objection to: (a) the Office of the United States Trustee for the Northern District of Illinois; (b) holders of Amended and Superseded Claims identified on **Schedule 1** to the Order; (b) counsel to the Committee; (c) the indenture trustee for the Debtors' senior unsecured notes; (d) counsel to the ad hoc committee of certain holders of the Debtors' senior unsecured notes; (e) the indenture trustee for the lessor notes related to the Debtors' Powerton generating station in Pekin, Illinois, and units 7 and 8 of

the Debtors' Joliet, Illinois, generating station and the pass-through trustee for the related pass-through certificates; (f) counsel to the ad hoc committee of certain holders of pass-through certificates related to the Debtors' Powerton and Joliet generating stations; (g) the owner trusts and the equity investors for the Debtors' Powerton and Joliet generating stations and their respective counsel; (h) the lender under Debtor Edison Mission Energy's letter-of-credit facility; (i) the state attorneys general for states in which the Debtors conduct business; (j) United States Attorney for the Northern District of Illinois; (k) the Internal Revenue Service; (l) the Securities and Exchange Commission; and (m) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors conduct business. In light of the nature of the relief requested herein, the Debtors respectfully submit that no further notice is necessary.

[Remainder of page intentionally left blank.]

WHEREFORE, the Debtors respectfully request that the Court enter an order, substantially in the form attached hereto as **Exhibit A**, granting the related relief requested herein and such other and further relief as the Court deems appropriate.

Re: Docket No. ____

**ORDER GRANTING DEBTORS' THIRD OMNIBUS OBJECTION TO
CERTAIN PROOFS OF CLAIM (AMENDED AND SUPERSEDED CLAIMS)**

Upon the objection (the "Objection") of the above-captioned debtors and debtors in possession (collectively, the "Debtors") for entry of an order (this "Order") expunging and disallowing the Amended and Superseded Claims identified on Schedule 1 attached hereto, pursuant to sections 502 and 1106(a)(1) of the Bankruptcy Code, Bankruptcy Rule 3007, Local Rule 3007-1, and the Objection Procedures, all as more fully set forth in the Objection; and the Court having found that the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and the Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and the Court having found that venue of this proceeding and the Objection in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found that the relief requested in the Objection is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and the Court having found that the Debtors provided appropriate notice of the Objection and the opportunity for a hearing on the Objection under the circumstances; and the Court having reviewed the Objection and the Moss Declaration and having heard the statements in support of the relief requested therein at a hearing before the Court (the "Hearing"); and the Court having determined that the legal and factual bases set forth in the Objection and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Objection is granted as set forth herein. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Objection.
2. Any response to the Objection not otherwise withdrawn, resolved, or adjourned is hereby overruled on its merits.
3. The Amended and Superseded Claims identified on Schedule 1 attached hereto are expunged and disallowed in their entirety; provided, however, this Order shall not affect the "Surviving Claims" identified on Schedule 1 attached hereto.
4. GCG, Inc., the Debtor's notice and claims agent, is directed to update the claims register to reflect the relief granted in this Order.
5. Except as provided in this Order, nothing in this Order shall be deemed: (a) an admission or finding as to the validity of any claim against a Debtor entity; (b) a waiver of the right of the Debtors, the Committee, or the Noteholder Group to dispute any claim against any Debtor on any grounds

whatsoever, at a later date; (c) a promise by or requirement on any Debtor to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order; or (e) a waiver of the rights of the Debtors, the Committee, or the Noteholder Group under the Bankruptcy Code or any other applicable law.

6. Each Claim and the objections by the Debtors to such Claim, as addressed in the Objection and set forth on Schedule 1 hereto, constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. This Order shall be deemed a separate Order with respect to each Claim. Any stay of this Order pending appeal by any Claimants whose claims are subject to this Order shall only apply to the contested matter which involves such Claimant and shall not act to stay the applicability and/or finality of this Order with respect to the other contested matters identified in the Objection or this Order.

7. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Objection.

8. The Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.
