IN SUPPORT OF THE DEBTORS’ APPLICATION TO EMPLOY AND
RETAIN KIRKLAND & ELLIS LLP AS ATTORNEYS FOR DEBTORS AND
DEBTORS IN POSSESSION NUNC PRO TUNC TO THE PETITION DATE**

I, David R. Seligman, P.C., state the following under penalty of perjury.

1. I am a partner in the law firm of Kirkland & Ellis LLP (“K&E”), with an office at 300 North LaSalle, Chicago, Illinois 60654. I am a member in good standing of the Bar of the State of Illinois. There are no disciplinary proceedings pending against me in any jurisdiction.

2. On December 17, 2012 (the “Initial Petition Date”), Edison Mission Energy and certain of its affiliates, as debtors and debtors in possession (collectively, the “Initial Debtors”), filed voluntary petitions with this Court under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”).

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: Edison Mission Energy (1807); Camino Energy Company (2601); Chestnut Ridge Energy Company (6590); Edison Mission Energy Fuel Services, LLC (4630); Edison Mission Fuel Resources, Inc. The location of parent Debtor Edison Mission Energy’s corporate headquarters and the Debtors’ service address is: 3 MacArthur Place, Suite 100, Santa Ana, California 92707.

3. On the Initial Petition Date, each of the Initial Debtors filed the *Debtors' Application to Employ and Retain Kirkland & Ellis LLP as Attorneys for the Debtors and Debtors in Possession Nunc Pro Tunc to the Petition Date* [Docket No. 34] (the "Application").² I submitted with the Application a declaration in support thereof (the "Original Declaration"). On January 17, 2013, the Court entered an order granting the Application and authorized the employment and retention of K&E as attorneys for the Debtors [Docket No. 321].

4. On May 2, 2013 (the "Homer City Debtors' Petition Date"), EME Homer City Generation L.P., Edison Mission Finance Co., and Homer City Property Holdings, Inc., as debtors and debtors in possession (collectively, the "Homer City Debtors" and, together with the Initial Debtors, the "Debtors"), filed voluntary petitions with this Court under chapter 11 of the Bankruptcy Code. On the Homer City Debtors' Petition Date, the Homer City Debtors filed a motion seeking entry of an order directing joint administration of the Homer City Debtors' chapter 11 cases with the jointly administered Initial Debtors' chapter 11 cases for procedural purposes only [Docket No. 717], as well as an order requesting application of the order granting the Application to the Homer City Debtors, *nunc pro tunc* to the Homer City Debtors' Petition Date [Docket No. 718].

5. I submit this supplemental declaration (this "Supplemental Declaration") in further support of the Application and to provide additional disclosures as required under Rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

² Contemporaneously with the Application, the Debtors also filed an application to retain and employ McDonald Hopkins LLC ("McDonald Hopkins") as restructuring counsel for debtor Camino Energy Company and as conflicts counsel for the other Debtors (the "McDonalds Hopkins Application") [Docket No. 327]. On January 17, 2013, the Court granted the McDonald Hopkins Application and authorized the employment and retention of McDonald Hopkins as attorneys for Camino Energy Company [Docket No. 328].

Except as otherwise stated in this Supplemental Declaration, I have personal knowledge of the matters set forth herein.

Additional Disclosures

6. As set forth in the Original Declaration, K&E and certain of its partners and associates may have represented in the past, currently may represent and may represent in the future parties in interest in these chapter 11 cases in connection with matters unrelated (except as otherwise disclosed) to the Debtors and these chapter 11 cases. K&E has searched its electronic database of representations for connections to parties in interest in these chapter 11 cases. Certain connections were disclosed in the Original Declaration.

7. In addition, since the Petition Date, K&E has updated its conflicts searches and has searched additional parties as K&E has become aware of additional parties in interest in these chapter 11 cases. In addition to the entities searched prior to the Petition Date (and searched again in connection with the preparation of this Supplemental Declaration), K&E has searched its electronic database for the entities listed on **Exhibit 1** attached hereto. The information listed on **Exhibit 1** may have changed without our knowledge and may change during the pendency of these chapter 11 cases. Accordingly, K&E will update its disclosures as necessary and when K&E becomes aware of material information. The following is a list of the additional categories that K&E has searched:³

<u>Schedule</u>	<u>Category</u>
1(a)	Parties Listed in Schedules
1(b)	Parties Listed in Statements of Financial Affairs
1(c)	Parties that have Filed Requests for Notice Pursuant to Bankruptcy Rule 2002
1(d)	Significant Vendors

³ K&E's inclusion of parties in the following schedules is solely to illustrate K&E's conflict search process and is not an admission that any party has a valid claim against the Debtors or that any party properly belongs in the schedules or has a claim or legal relationship to the Debtors of the nature described in the schedules.

- 1(e) Unsecured Creditors' Committee
- 1(f) Unsecured Creditors' Committee's Professionals
- 1(g) Parties in Interest in Homer City Debtors' Chapter 11 Cases

8. Although not relevant in concluding that K&E is “disinterested,” out of an abundance of caution, I have included the results of K&E’s conflicts searches of the above-listed entities on **Exhibit 2** attached hereto and any new results of K&E’s conflicts searches of the entities searched in connection with the Original Declaration on **Exhibit 3** attached hereto.⁴ All current and prior representations of the parties identified on **Exhibit 2** and **Exhibit 3** are in matters unrelated to the Debtors and these chapter 11 cases.

9. Based on the conflicts searches conducted to date and described in this Supplemental Declaration and in the Original Declaration, to the best of my knowledge and insofar as I have been able to ascertain, neither K&E nor any of its partners or associates has any connection with the Debtors or any party in interest in the chapter 11 cases except as disclosed or otherwise described in this Supplemental Declaration and in the Original Declaration.

Specific Disclosures

10. As specifically set forth below and in the attached exhibits, K&E represents certain of the Debtors’ creditors or other parties in interest in ongoing matters unrelated to the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Debtors’ estates. Moreover, pursuant to section 327(c) of title 11 of the Bankruptcy Code, K&E is not disqualified from acting as the Debtors’ counsel merely

⁴ As referenced in **Exhibit 2** and **Exhibit 3**, a “current” client is a client to whom time was posted in the 12 months preceding the Petition Date; a “former” client is a client to whom time was posted between 36 and 12 months preceding the Petition Date; and a “closed” client is a client to whom time was posted in the 36 months preceding the Petition Date but for which the client representation has been closed. As a general matter, K&E discloses connections with former clients or closed clients for whom time was posted in the last 36 months but does not disclose connections if time was billed more than 36 months before the Petition Date.
